

THE NEW

# RAYMOND RECORDER

No. 33 Vol. 1 Thursday, November 16, 1950

The Carnival Committee held another meeting on Monday at the Opera House to get final data on each section of the big show. Rayo Woolf and M. T. King have been in this business for a long time. Rulon Dahl has been at it since Raymond began. The new Executive of the Raymond Athletic Association is behind the job one hundred per cent. Arledge, Dee and Max, with the new Coach of the Jacks, Art Ziehn, are rearing to go.

Some of the older games are back—those that have been missing for a few years. The fishpond will be thriving under the direction of Mrs. Margaret Hill—the kids will be glad to learn this. The dance will also return. It has been a committee battle for years—to have or not to have a dance. Is there room? Will there be enough dancers to justify the music and bother. Cardston Carnival Dances have always been live issues and in great demand, although Raymond has been indifferent. We will try it again and see if you really want one. If you do, let's dance.

There will be a brand new Basketball game. Pot shots. You aces get out and keep the green and the very young from making all of the swag on the good old fun of shooting baskets—6 in a row or 6 at once. The Wheels will be somewhat different this year. Bigger and better Wheels will carry better grade prizes. The boys are getting all hepped-up about the job. Another new feature will be the arrangement of the show as the Booths are going to be in an entirely new presentation. Bingo goes back up on the stage and the whole show will take on "That New Look".

#### Cavalcade of Song

Have you seen the big posters for this new Horsfall Production? Get your tickets from the Music Club (Beth Walker) or from Della Woolf. The Library Board is helping out with the tickets to assist the fund for new recordings for the Library. You will not attend any musical program that will give you any more enjoyment than this fine group of singers will to Raymond on November 25th. The programs are out—see one and you will want to get your tickets and come.

#### Are Lions Different?

We heard a Lion remark not long ago. "If there is one thing that distinguishes Lions from all other organizations, it is the pep and spirit they put into everything that they undertake". We liked his words but thought them somewhat inadequate. While Lions do put pep and enthusiasm to an unusual degree in all things that they do, we felt it would be difficult to describe the one way in which Lionism is different from other movements. There just doesn't seem to be any one way; the differences are too many and too varied to permit such a generalization to stand.

While a great many Lions are not apt to think of themselves as different, most of the other people in their community do, because the Lions are constantly doing so many worthwhile things.

Miss Lillian Clarkson of Vulcan, who was a former nurse at the local Mrs. Elmo Christensen over the week-hospital, was the guest of Mr. and Mrs. end. While here she visited many of her old friends.

## Manitoba Flood Fund Thanks Weekly Press All Flood Victims Being Re-established

At the annual convention of the Canadian Weekly Newspapers Association held at the Chateau Frontenac Hotel, Quebec City, October 23-25, a resolution of thanks to the Weekly Newspapers of Canada was presented by the Manitoba Flood Relief Fund in appreciation of the part played by the Weekly Press in assisting in the rehabilitation of flood victims of the Red River Valley.

In presenting the resolution, at the annual banquet, attended by some 400 Weekly Newspaper editors from all part of Canada, Cecil Lamont, Honorary National Organizer of the Manitoba Flood Relief Fund, told how total contributions to the Fund had reached \$8,775,000.00 in cash and in addition, donations in kind with a value of several hundreds of thousands of dollars, had been turned over to the Red Cross and other relief agencies for distribution to flood sufferers.

Mr. Lamont informed the editors that the following appropriation had been made from the Fund, to date:

Repair and replacement of household furnishings and effects, clothing, private automobiles, etc. \$2,500,000

Compensation for out-of-pocket living and travelling expenses of persons who were forced to evacuate their homes on account of flood \$1,500,000

Aid to small businesses, market gardeners and fur farmers to cover losses of goods and inventory as a result of the flood \$1,000,000

Compensation to farmers for loss of livestock, poultry, feed, seed, grain and machinery lost or damaged \$1,000,000

A survey is now being conducted with a view to assisting churches, hospitals, private schools and semi-public institutions which do not come within the scope of governmental assistance.

As a result of the generous response from all parts of Canada, all persons who have suffered losses, other than structural damage, have been or are in the process of being compensated from the Flood Fund, and are able to resume their normal home and business lives. Structural damage to buildings is being taken care of by the Dominion and Provincial Governments. These Governments, along with the Municipalities, are now engaged in the construction of dikes to guard against future floods, where this is feasible.

The newspaper editors were informed that the total cost of raising the fund had been less than three-quarters of one per cent, which is believed to be a record low cost for fund raising. The small expenditure in raising the Fund was made possible through all services being contributed by those who took part in raising the Fund.

The resolution presented to the Canadian Weekly Newspapers Association and to this paper appears in the adjoining columns.

#### RESOLUTION

To: The Canadian Weekly Newspapers Association  
and  
The Raymond Recorder

From: The Manitoba Flood Relief Fund

WHEREAS during the disastrous Manitoba Flood in the spring of 1950, there was evidenced a desire on the part of the citizens of Canada and elsewhere, to help in some way to relieve the distress of the flood victims; and

WHEREAS it was apparent that there was no agency then in existence which could give aid in such matters as restoring losses of furniture and personal belongings of those whose homes had been flooded; and

WHEREAS it was apparent that without such aid many families would suffer crippling losses and in many cases be rendered destitute as a result of the flood; and

WHEREAS the Manitoba Flood Relief Fund was set up, under the honorary chairmanship of the Lieutenant-Governor of Manitoba, the Premier of Manitoba, the Mayor of Winnipeg, the Mayor of St. Boniface and the Manitoba Consul-General of the United States to receive contributions from those who wished to help; and

WHEREAS local funds were opened in many municipalities throughout the country, in large part through the efforts of the Weekly Newspapers of Canada, with the sympathetic assistance of the Weekly Newspapers Association and the Provincial Divisions of the Association; and

WHEREAS the proceeds of funds so collected have added materially to the magnificent total received for aid to the flood victims of the Red River Valley; and such aid going out promptly has had a great effect in maintaining the morale of the people who have suffered so grievously;

#### BE IT THEREFORE RESOLVED

THAT the Officers of the Manitoba Flood Relief Fund extend to the Weekly Newspapers of Canada, through the Canadian Weekly Newspapers Association in Conference in Quebec City, heartfelt gratitude and appreciation on behalf of the trustees of the Manitoba Flood Relief Fund and of the flood victims of the Red River Valley, for their heartwarming sympathy and their practical expression of it in their efforts on behalf of the Fund;

AND THAT the said newspapers be asked to extend to the citizens of their territories, the appreciation of the people of the Red River Valley for the assistance given, through the Manitoba Flood Relief Fund, for the rehabilitation of flood victims.

#### ROTE SPOKES

Last Monday, after the usual preliminaries the Rotarians were read a letter—the original of which had been addressed to the Town of Raymond. The letter was written by Mr. Frank Taylor.

In it, Frank pointed out that at the last election of officers for the Board of Trade he was elected to the Chairmanship of the Roads Committee. Although the Board of Trade has long since ceased to function as such, he has carried on in his capacity, in an endeavour to have Raymond linked up with proper Provincial Hardsurfaced Highways.

Inasmuch as the Board of Trade is defunct, Frank expressed the opinion that the work done to date had been carried out in an unofficial capacity. He didn't want people coming back later and saying "why is this road running here? What right did you have to have this done?" Further Frank made it clear to us that practically all of the towns and cities in the Province are represented by civic bodies such as a Chamber of Commerce and that this organization right or wrongly, carries great weight with Provincial and Dominion Authorities.

Drawing his conclusions from the foregoing, Frank felt that there was a pressing need in the town for a Chamber of Commerce. He put forth the suggestion that the Town Council, the Lions Club and the Rotary Club should spearhead the drive for organization. While we sit down in this triangle off the main highways of the Province, roads, gas and a lot of the amenities of life are going to pass us by for a long time unless we rare back on our two hind legs and hollar. He who cries the most receives the most attention. A motion was passed that the members of the Club give some thought to this matter during the next week and be prepared to take some definite action at next Monday's meeting.

#### Random Thoughts:

It would be sensible to work yourself into an early grave, if owning more things brought you more happiness.

Around midnight I am always pleased to recall Somerset Maugham's reflection that he heeded the injunction to do each day two unpleasant tasks. Maugham said he did. He never wanted to go to bed, but he did. He never wanted to get up, but he did.

News Notes From Rotary In General President As we "close" these pages, President, Arthur Lageux, and his wife Christine, are somewhere in Southern France. Just ahead of them lies a fortnight or more of visiting among Clubs of Monaco, Tunisia, Algeria, Morocco and Portugal. Leaving Lisbon by air November 20 the First Couple was to be at home in Quebec well ahead of the saison des fetes.

Vital Statistics As of October 27th, there were 7,171 Rotary Clubs and an estimated 342,000 Rotarians. New and readmitted Clubs since July 1 totalled 62.

So until next week this is your Rote Reporter who hates to mean, but it seems to me that some people are paid more than they are worth.

## Hi School News

### Elections

R. H. S. chooses! Flash! Latest returns are still pouring in. There they go! Merle Judd heads down the track. Behind her comes Miss Taylor. Toothpaste Meheew is being squeezed out on the rails. Long Underwear is falling out behind. They are rounding the turn—a nose ahead of Bob Dahl is Joe Stevenson. Guy Sabey flashes out in front. And—the winner—is Beedlebaum.

No, I'm not crazy, yet. Of course, says Laurie, that's all a matter of opinion. The Sportscastr above is an excerpt from the R. H. S. elections held November 3rd. Perhaps I had better start at the beginning.

Gerry Gough, Returning Officer, announced that all nominations must be in by Thursday noon. Of course, this rule was disobeyed and the last nomination wandered in late Thursday night. Eager beaver candidates and their campaigners raided the school Thursday night to make signs. There was a lot of rowdiness, more than was necessary. In fact, there was some actual damage to school property. This absolutely is not the general attitude of the mass of the students. It is only the few who must be smart-alecks that ruin the good times of the others. By the way, this disgraceful behaviour of a few has put Elections in a precarious position.

Oh, yes! I forgot to say who was running. For President: Bob Dahl and Joe Stevenson; for Vice-President: Arlene Taylor and Guy Sabey; for Secretary: Merle Judd, Dorothy Dawley and Connie Meheew.

During the morning classes, there wasn't much excitement, except that the classes were only one quarter the normal size. That afternoon the candidates visited each room to bribe the voters. One method used was to have a group of Gay Nineties chorus girls wow us. They sang the sentimental "Oh We're Great Big Beautiful Dolls", and then there were the promises made (to be broken). All in all, we had an enjoyable afternoon.

After the last bell, the school rushed en masse to the gym. The candidates and their campaign managers spoke a few words to encourage the wayward voters to vote correctly. Joe Stevenson set out a platform which contained, among other things, school rings, dances, ball games, Year Books and House Leagues. All the candidates promised to help the student body in whatever they wished. When the echoes of the last speech died down, we went back to our rooms to vote; secretly, freely and by ballot.

The results, President: Joe Stevenson; Vice-President: Arlene Taylor; Secretary: Connie Meheew. We also voted for Cheer Leaders at this time, Jean and Joan Holmes, Barbara Wing and Pat Strong.

Now that we have a good executive in we must all stand behind them and support them to our fullest.

With the executive now functioning the Hi Times too is beginning to operate. However the only news out so far is that Vede Gilchrist is the Editor. Further announcements are expected soon.

There were two basketball games Friday; between the Raymond Helcats and MacNally, the score being 25 to 14 for Raymond, and the Mustangs and MacNally "B" Boys with a score of 64 to 18 again for Raymond. This was the first time Raymond had ever been host to MacNally. A dance in the gym was held after the game, then before, remember this little ditty, those who drive:

Now that roads are more dangerous  
A nut at the wheel,  
A peach on his right;  
A turn in the road,  
Fruit salad tonight.

A Calling Shower was tendered Joy Isaacson Wednesday evening, November 8th, in the beautifully decorated Second Ward Scout Hall. Joy's marriage to Willard Heninger took place Wednesday, November 15th.

Janet Piegrass accepted and arranged the many lovely and useful gifts, and Helen Piegrass presided at the Guest Book. Eleanor Smith, Eunice Piegrass, Carol Larsen, Gladys Garner and Dorothy Dawley served the dainty lunch.

The Groom's mother and Mrs. Lois Grant, his sister, were special guests

Mr. and Mrs. D. Erickson and family recently arrived here from Lethbridge. Mr. Erickson has taken over the Egg Grading Station which will be opened under the name "Erickson Produce".

Remembrance Day passed without Civic Ceremony here this year. We wonder why the Town made no recognition of the supreme sacrifice made by local men in two wars.

### News from the Legion

In spite of the weather, a goodly number of contestants were on hand for the Canadian Legion Ham and Turkey Trapshoot on Saturday afternoon at the Raymond Fairgrounds. The event was a decided success from both the financial standpoint and the number of contestants participating. Some of the better shots from points as far as Coultas were on hand to put on a display of trapshooting before a large crowd of spectators.

Young Bob Hepler of Milk River was the outstanding contestant of the day and went home with a good number of the prizes offered.

In all, 35 events were run off before darkness brought the program to an end.

As far as it is known, this is the first event of this kind to be staged in this district, and it is planned to make it an annual affair.

### Veterans Hold Annual Remembrance Day Dinner

The Legion Memorial Hall was the scene of the Annual Remembrance Day dinner when about forty veterans of two World Wars, sat down to another delicious banquet served by the

Legion Ladies Auxiliary. After dinner the program consisted of a sing-song led by Joe MacLean accompanied by Mrs. Winters at the piano; piano selections by Herb Bishop; a solo by Joe MacLean; and old time fiddling by George Gunther. The Legion President, E. M. Peterson, presented the Annual Report and Chaplain Snow spoke briefly to the assembled group on the meaning of Remembrance Day. The days program was concluded with a dance at the Opera House.

Geo. Haugen, Raymond, was winner of the shotgun in the Quiz Contest.

A large crowd gathered at the Buddhist Church, Saturday evening to hear Rev. Nicoda and Rev. Tsuji from Toronto and Rev. Nishimura from Winnipeg. On Wednesday Rev. Tsuji spoke to a large crowd of younger Buddhists, which was followed by a dance, and Rev. Nicoda spoke Thursday and Friday evenings.

The Union Jacks easily defeated the Shelby Marines on Tuesday night. The score 74 to 26.

Mr. and Mrs. Arch Terry and Mrs. Rex Meeks and small daughter Pat were visitors in Great Falls recently.

Mrs. Boalch, in giving a brief history of the Home and School in Alberta, said that it commenced as a Mothers Club in 1913, expanding to the Home and School Assoc. mostly near Calgary. By 1929 it had become Province-wide in scope and now represents 15,000 people and 300 Associations. Any person paying a Local membership fee (.50 cents in Raymond) automatically becomes a member of the Alberta Federation and the National Federation which has a membership of 170,000 in Eight Provinces and Prince Edward Island. The Association is known as 'Home and School' in all Provinces except B. C. where it is called 'Parent-Teacher Association', and works closely with that Assoc. in Washington State.
